Sir,

SUBJECT Notification of lands required for the modified second stage of the Industrial Suburb under Section 4 of the Land Acquisition Act

Adverting to para 7 of G O.No L 11863-9/M 111-46-2 dated the 27th February 1947 directing among other things that the Declaration statements in respect of the lands required for the modified 2nd stage of the Industrial Suburb Scheme involving an extent of 577 Acres.38 Gts of land - which is since modified to 741 A 13 G in G O No L 9494-500/ M.111-46-9 dated the 19th September 1947 be submitted to Government under Section 17 of the Land Acquisition Act, I have the honour to state that as already stated in this - Office letter No G 147/47 dated the 30th October 1947 most of the lands to be acquired in this behalf are situated in Jodi Kempapur which is an unsurveyed and unsettled village and correct details as to the hissawar ownership etc of the several hissas are not available and in the absence of absence of these details declaration statements could not be prepared under Section 17 of the L A.Act It was for this reason, it was proposed in this Office letter above

P.T O

above referred to to employ a Mobile part for the hissa survey in the Jodi village as was done on a similar difficulty arose in respect of lands to be acquired for the first stage of the Industrial Suburb Sanction of Government to the above proposal made as per resolution of the Board dated 30-9-47 has not yet been received The result has been that the lands coming under the modified 2nd stage of the Industrial Suburb have not been notified at all though the rest of the Industrial Suburb lands to the north as well as the extended area of the Industrial Suburb to the east have both been notified for acquisition - meantime, it is feared that alienations and unauthorised structures may core up in the area and complications might set in later on With a view to avoid future complications as a result of private buildings and inflahationary alienations - coming into existence in this area, it is desirable to notify even these lands for acquisition at least under Section 4 of the Land Acquisition Act, as was done in the case of the extended area to the East as per Government Notification E 11419-Ml-25-47-6 dated 1st December 1947. For the publication of such notification however, it is not absolutely imperative to have detailed information regarding hissa in each S No.

In these circumstances, I request that arrangements - may kindly be made to have the enclosed draft preliminary notifications in duplicate both in English and kannada in respect of the remaining portions of land in the area, notified under Section 4 of the L A Act, as expeditiously as possible.

I have the honour to be,
Sir,
Your most obedient servant,

C.P. Narasimha Rao
